In the world of SUVs, greatness isn't defined by power alone – it's about Those Who Dare.

Born from GWM's over 30 years of automotive expertise, the GWM TANK series blends uncompromising off-road capability and refined comfort.

That legacy continues in the GWM TANK 500 – with intelligent hybrid power, bold design features, and a drive built for those who want to challenge any terrain.

This isn't just an SUV.

It's a statement.

BOLD LOOKS, BUILT FOR SAFETY

Every journey in the GWM TANK 500 is backed by a deep commitment to your safety. Its ultra-high-strength body structure enhances protection in every situation, while six strategically placed airbags provide added peace of mind. Whether you're navigating the city or exploring beyond it, you can count on safety that's seamlessly built into every drive.

STEP INTO
LUXURY WITH INNOVATION

Step inside and experience a space where sophistication meets function. The interior blends elegance with practicality, creating an environment that's both inviting and commanding. From premium materials to seamless technology integration, every detail is designed to elevate the driving experience.

SOPHISTICATED CRAFTSMANSHIP

Luxury in the GWM TANK 500 goes beyond appearance — it's built into every detail. Every surface, texture, and finish is carefully selected to create a refined ambience that reflects true craftsmanship.
